

## **CBRE, the World's Largest Real Estate Services and Investment Company, Welcomes Kapil Lahoti as Chief Digital and Technology Officer, Global Workplace Solutions**

**New York, NY — March 23, 2022** Renovata & Company is pleased to announce the placement of Kapil Lahoti as chief digital and technology officer, global workplace solutions of CBRE, the world's largest commercial real estate services and investment company.

With more than 100,000 employees (excluding affiliate offices), CBRE has been included on the Fortune 500 since 2008, ranking #128 in 2020. The company serves clients in over 100 countries, including over 90% of the Fortune 100. CBRE holds the top global market position in leasing, property sales, outsourcing, property management and valuation. It offers a broad range of integrated services, including facilities, transaction and project management; property management; investment management; appraisal and valuation; property leasing; strategic consulting; property sales; mortgage services and development services.

Currently, the real estate market is undergoing a significant change—driven by data and technology. Digital- and technology-powered products play an important role in CBRE's future success and ability to serve clients. During this exciting time of growth, Lahoti will be instrumental in driving the company's technology/digital transformation agenda.

"Kapil has more than 20 years of relevant industry experience," says Mannie Gill, Renovata & Company partner. "He understands how technology drives value in large enterprises and he has successfully led large, complex technology transformations."

Before joining CBRE, Lahoti was head of operations/head of claims product management for Solera, Inc., where he was responsible for the strategy, transformation and operation for a 2,000+ global product development organization. Before that, he was an associate principal at McKinsey & Company, where he focused on digital transformations, performance management, operational improvements, M&A and chief information officer advisory. Earlier in his career, Lahoti was a senior manager at Diamond Management and Technology Consultants; and a senior solutions architect at i2 Tech.

This appointment highlights Renovata & Company's depth and expertise as a search firm and advisor to the leading private- and growth equity-backed digital, SaaS, IoT companies, their boards, and investors across the US and Europe.

### **About Renovata & Company**

Renovata & Company is a global executive search and private equity advisory firm. We are trusted by financial sponsors, their portfolio companies and public corporations to deliver transformational leaders and valuable investment insights. Renovata & Company's executive search activities are focused on the most complex search assignments—board-level mandates which include board directors, CEOs, CFOs and other C-suite executives, as well as investment professionals and Operating Partners—and we provide strategic counsel to clients across the technology, digital, business services, industrial, consumer and retail sectors. Renovata & Company has relationships with over 50 of the top 100 private and growth equity firms globally. Our private equity advisory services include diligence support, backable executive introductions and deal sourcing. We also make equity co-investments alongside our private equity clients through our investment affiliate, L Capital. We are privately held and operate from five offices across two continents: Boston, Hamburg, London, New York and San Francisco. [www.renovata.com](http://www.renovata.com)
